## TARKETT USA INC. LIMITED LIFETIME RESIDENTIAL & 10-YEAR LIGHT COMMERCIAL WARRANTY

Subject in all instances to the conditions described in the "Warranty Exclusions" section below, Tarkett USA warrants to the original purchaser that from the date of purchase, (i) its Laminate Flooring will be delamination-free, (ii) the surface wear layer on products will not wear through, stain or fade from sunlight or artificial light, and (iii) the product will, for a period of up to 24 hours, resist moisture due to mopping and everyday household spills.

THIS WARRANTY IS STRICTLY LIMITED TO ITS TERMS AND IS IN LIEU OF ALL OTHER WARRANTIES OR GUARANTEES, EXPRESSED OR IMPLIED, ARISING BY OPERATION OF LAW, OR COURSE OF DEALINGS, USAGE OF TRADE OR OTHERWISE, SPECIFICALLY EXCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This limited warranty applies to the original purchaser of the product only and is not transferrable in any way.

If the product wears through, fades or stains, as purchaser's sole and exclusive remedy, and Tarkett USA's only obligation for breach of warranty hereunder, Tarkett USA will repair or replace, at its option and in its sole discretion, the affected flooring material which fails within the period, provided that purchaser notifies its Tarkett USA dealer of such failure within thirty (30) days of discovering same. Proof of purchase, such as bill of sale, is mandatory when requesting warranty service. Tarkett USA's personnel must be granted access to inspect the product claimed to be defective at the site of its installation or use and may remove samples for analysis. The surface wear must be evident, measuring at least 2 square inches (13cm<sup>2</sup>) and not be the result of any items listed in the Warranty Exclusions section. Loss of gloss is not surface wear.

This warranty includes the repair or replacement of defective material and labor charges as specified below. If Tarkett USA determines in its sole discretion that such repair or replacement is not reasonably achievable, Tarkett USA may choose to refund the purchase price of the affected flooring material. Should the original floor design be discontinued, Tarkett USA will replace the defective material with one of equal value.

### WARRANTY EXCLUSIONS

The owner must inspect for color, finish and quality before installation. Tarkett USA is not responsible for costs incurred when a floor with visible defects has been installed. The warranty does not cover, and Tarkett USA is not liable for, wear or damage caused by improper installation, negligence, water, erosion, abrasion, extreme heat or temperature conditions, cleaning (including without limitation excessively wet maintenance, or from using detergents, abrasive cleaners, soaps, steamers, jet mops, buffers, waxes, or polishes), care or maintenance in a manner contrary to the instructions as provided by Tarkett USA, physical abuse or misuse of the product, physical damages, accidents causing indentation, scratching, impact or cutting, freight damage, alteration, or any wear or damage caused by acts of God including without limitation fire, wind, hail and flood. The warranty does not apply if the product is installed in areas where condensation may occur repeatedly. This limited warranty does not apply to moldings. Purchaser agrees that Tarkett USA is not liable for INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES including, but not limited to loss of profit or revenues, loss of time, inconvenience, damages for loss of use of any equipment, damage to property, claims of third parties, including personal injury or death on account of use of any Tarkett USA product or failure of Tarkett USA to warn against or instruct on, or adequately warn against or instruct on, the dangers of the product and proper use of same, whether or not Tarkett USA has been advised of the potential for such damages. Tarkett USA's total liability hereunder from any cause whatsoever, whether arising under contract, warranty, tort (including negligence, except in the case of liability for personal injury caused by Tarkett USA's negligence), strict liability, products liability or any other theory of liability, will be limited to the lesser of purchaser's actual damages or the price paid to Tarkett USA for any product subject to purchaser's claim.

### Maintenance and Care

**Damage resulting from improper care and maintenance of the floor are not covered by warranty.**

1. Sweep or dust mop regularly. If vacuuming, use vacuum head with a brush or felt, not a head equipped with a beater.
2. Wet mop occasionally, using a well wrung out mop and water only. Do not pour liquid directly on floor or use an excessively wet mop that will leave puddles or moisture standing on the floor.
3. Do not leave any topical moisture on the floor for more than 24 hours (water, juice, soft drinks, spills, etc.). Spills should be cleaned immediately.
4. Never use a steam cleaner, jet mop, buffer, or similar products.
5. Do not use any cleaning agents containing wax, oil or polish. Left over residue will form a dull film. For tough spots, use damp cloth or apply a little alcohol on a clean cloth and rub to remove the spot.
6. Do not use steel wool or scouring powder which will scratch the floor.
